12<sup>th</sup> Serbian Congress of Toxicology  
April 18 - 21, 2018, Belgrade, Serbia  
*From Science to Human and Environmental Health Benefits*

To all IUTOX Member Societies, Scientific Partners and Exhibitors

**Subject: Call for Proposals for the CTDC 10 Scientific Programme**

Dear Colleagues,

On behalf of the Scientific Programme Committee I invite you to submit your proposal for the **CTDC 10** that will be held in Belgrade, Serbia, April 18-21, 2018.

Your input is essential for preparation of a scientific programme covering the most up to date topics relevant for your region. Please submit your scientific proposals using the attached form making sure to include the organizer details, the recommended speakers, and a brief presentation for the proposal. You can submit either a full proposal or a partial proposal open to add the lectures and speakers by the Scientific Committee. Send your proposals to the [ctdc10@pharmacy.bg.ac.rs](mailto:ctdc10@pharmacy.bg.ac.rs) by February 20, 2017. Proposals will be evaluated by the CTDC 10 Scientific Programme Committee.

The following topics were suggested by the SETOX Scientific Programme Committee to start the process rolling:

- Air Pollution
- Analytics in Toxicology
- Food Toxicology
- Immunotoxicology
- Metals
- Nanotoxicology
- Pesticides
- Psychoactive substances
- Regulatory Toxicology
- Toxicology of Drugs
- Toxicology of Mixtures

You may add to this list additional topics relevant to your region or the science of toxicology in general.

Looking forward to receiving your proposals.

Yours sincerely

Prof. Vesna Matović ERT  
President CTDC10  
Chair International Scientific Program Committee CTDC10

Peter Di Marco, PhD, ATS  
President Elect IUTOX  
Co-Chair International Scientific Program Committee CTDC10
